Tulu dimtu, Addis Ababa

SUMMARY

As a dedicated and passionate software engineering student at Haramaya University, I am constantly exploring the expansive and dynamic field of technology. With a solid foundation in programming languages such as Python, Java, C++, and JavaScript, I have developed a versatile skill set that includes web development, front-end and a keen interest in continuous learning.

EDUCATION

Ethio Japan Primary and Secondary School

2008 -2018

Derartu Tulu Preparatory school
